

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
Wake Co. Sheriff's Office

Raleigh, NC

The **Wake Co. Sheriff's Office** purchased their first Computer Voice Stress Analyzer® (CVSA®) in **1999** and due to the tremendous success of the CVSA at the **Wake Co. Sheriff's Office**, NITV Federal Services is pleased to announce that they will be hosting another **Certified Examiners Course** to be held **Nov. 18-22, 2024**, to train additional examiners. Nearly **3,000** law enforcement agencies across the U.S (**278 in CA, 267 in OH, 221 in MO, and 121 in NC**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as **ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations, and the CVSA can be used to analyze old tape recordings to solve **Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol-since 1999-32 CVSA's, Illinois State Police-2019-11, New Orleans P.D.-1996-29, Atlanta P.D.-2003-14, Nashville P.D.-2004-26, Kansas City P.D.-2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O.-1999-13, California Dept. of Corrections and Rehabilitation-2017-58, and the US Probation and Pretrial Services-2010-15**. Most agencies have simply discontinued the polygraph as they no longer find a need for the older, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "inconclusive" results. The cost of the CVSA III with 2 investigators trained is about 1/6 the cost of the polygraph with 2 students trained. The average CVSA exam time is approximately 1 hr. and the average exam time for the polygraph is 2 – 3 hrs.

With 2 peer reviewed, published studies validating the accuracy of the CVSA, and nearly 3,000 LE users, isn't it time for your agency to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called "**One of the most important investigative tools available today**" call us toll-free **888-266-7263** or e-mail us at NITVFS@cvs1.com

NITV Federal Services is the sole source of the CVSA – Sales of the CVSA are restricted to Law Enforcement
