

FEDERAL SERVICES

Announces a

CERTIFIED EXAMINERS COURSE

HOSTED BY THE

Florida Div. of Investigative & Forensic Services

Ocala, FL

The **Florida Div. of Investigative & Forensic Services** purchased their first Computer Voice Stress Analyzer® (CVSA®) since **2003** and due to the tremendous success of the CVSA at the **Florida Div. of Investigative and Forensic Services (15 CVSA's)**, NITV Federal Services is pleased to announce that they will be hosting another **Certified Examiners Course** to be held **Sept. 15-19, 2025**, to train additional examiners. **3,000** law enforcement agencies across the U.S (**229 in FL, 285 in CA, 276 in OH, and 224 in MO**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies, including **Federal ICAC Task Forces**. Since class space is limited, we suggest you reserve student slots early. Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal and Background Investigations** as well as for **analyzing tape recordings to solve Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol-since 1999-32 CVSA's, Illinois State Police-2019-11, New Orleans P.D.-1996-29, Atlanta P.D.-2003-14, California Dept. of Justice-2022-15, Nashville P.D.-2004-26, Kansas City P.D.-2018-5, Missouri Dept. of Public Safety-1998-52, Florida Div. of Investigative and Forensic Services-2003-15, San Diego Co. S.O.-1999-13, California Dept. of Corrections and Rehabilitation-2017-58, and the US Federal Courts Div. of Probation-2010-15**. Most agencies have simply disbanded their polygraph units as they no longer find a need for the older, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "inconclusive" results. The cost of the CVSA III is 1/6th the cost of the polygraph and the average exam time is 1 hour.

With 2 published, peer reviewed studies validating the accuracy of the CVSA, and 3,000 LE users, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called "***One of the most important investigative tools available today***" call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

****NITV Federal Services is the sole source of the Patented CVSA****
The CVSA is sold Only to Law Enforcement/Government Agencies
