

FEDERAL SERVICES

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
Atlanta Police Dept.

Atlanta, GA

The **Atlanta P.D.** purchased its first Computer Voice Stress Analyzer® (CVSA®) in **2003** and discontinued the old polygraph. Due to the tremendous success of the CVSA at the APD (14 CVSA's), NITV Federal Services is pleased to announce that they will be co-hosting another **Certified Examiners Course** to be held **Oct. 6-10, 2025**, to train additional examiners. **3,000** law enforcement agencies across the U.S (**151 in GA, 228 in FL, 282 in CA, 226 in MO and 274 in OH**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies, as well as **Federal ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal and Background Investigations**, and the **CVSA can analyze old tape recordings to solve Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-11, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigation and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, and the California Dept. of Corrections and Rehabilitation - 2017-58**. Most agencies have simply discontinued the polygraph as they no longer find a need for the older technology.

The CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is 1/6 the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately 1 hour – the polygraph is 2-3 hours.

With 2 published, peer reviewed studies validating the accuracy of the CVSA, and 3,000 LE users, isn't it time for your agency to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on “one of the most important investigative tools available today”, call us toll-free **888-266-7263**, visit CVSA1.com, or e-mail us at NITVFS@cvs1.com

NITV Federal Services is the sole source of the patented CVSA - The CVSA is Sold Only to Law Enforcement/Govt. agencies
