

FEDERAL SERVICES

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
Niagara Falls Police Dept.
Niagara Falls, NY

The **Niagara Falls P.D.** purchased their first **Computer Voice Stress Analyzer® (CVSA®)** in **2000** and due to the tremendous success of the **CVSA** at that agency, NITV Federal Services is pleased to announce that they will be hosting a **Certified Examiners Course** to be held **Aug. 4-8, 2025**, to train additional examiners. **3,000** law enforcement agencies across the U.S (**284 in CA, 231 in FL, and 275 in OH**) now rely on the **CVSA** for their truth verification needs, including local, state and federal agencies, as well as **Federal ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our website at **www.CVSA1.com**

The forward-thinking agencies that utilize the **CVSA** have found it to be a tremendous asset for Criminal and Background Investigations, and the CVSA can also analyze old taped interviews to solve **Cold Cases**. Most have utilized the **CVSA** for many years and they include the **California Highway Patrol - since 1999-32 CVSA's**, **Illinois State Police - 2019-11**, **New Orleans P.D. - 1996-29**, **Atlanta P.D. - 2003-14**, **Nashville P.D. - 2004-26**, **Kansas City P.D. - 2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigation and Forensic Services - 2003-12**, **San Diego Co. S.O. - 1999-13**, and the **California Dept. of Justice – 2019 - 17**. Most agencies have simply discontinued the polygraph as they no longer find a need for the older technology.

The new **CVSA III** is **FAST, RELIABLE, COST-EFFECTIVE** and **EASY-TO-USE**. Unlike the polygraph, drugs and medical issues are not known to affect the results of the **CVSA III** and there are no known countermeasures to cause “inconclusive” results. The cost of the CVSA III with 2 investigators trained is about 1/6 the cost of the polygraph with 2 students trained. The average **CVSA** exam time is approximately 1 hr. and the average exam time for the polygraph is 2 hrs.

With 2 published, peer reviewed studies validating the accuracy of the CVSA, and with over 3,000 LE users, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on one of the most important investigative tools available today, call us toll-free **888-266-7263**, visit **CVSA1.com** or e-mail us at **NITVFS@cvsa1.com**

NITV Federal Services is the sole source of the patented CVSA

****The CVSA is Sold Only to Law Enforcement/Govt. agencies****
